Re: James Wright v. Hartford Financial Services Group, et al.
Civil Action No.: 2:11-CV-00602-SRC-MAS

Dear Judge Chesler:

This office represents the plaintiff, James Wright, in connection with the above matter. We write to respectfully request a 30 days extension to file an opposition to defendant's summary judgment motion and an extension of the hearing date presently scheduled for January 3, 2012. I have received the consent of my adversary for this adjournment.

The reason I am requesting this adjournment is because Defendant's attorneys have submitted 1,112 pages of exhibits and 507 statements of material facts. As a solo practitioner, I need proper time to respond to the defendant's voluminous submissions.

Thank you for your consideration to this matter.

Respectfully submitted,

/s/ Kevin T. Kutyla
